## PRODUCT ORDER FORM

**ArtiSticks** Drumsticks are sold in units of 12 pairs for a given series/model combination. Under normal circumstances, the 12 pairs of the specified model would include an assortment of colors/patterns from the selected series. The "Best Seller Assortment" provides a 12 pair assortment of colors/patterns from all the different series in the specified model. The "Individual Pattern" column gives you the opportunity to order 12 pairs of your favorite design by entering it's name and the quantity of sticks desired in the appropriate model row.
