

# HOT STICKS

LEADING  
THE UNIVERSE  
IN DRUMSTICK TECHNOLOGY

THE  
ORIGINAL  
COLORED  
HICKORY DRUMSTICK  
MADE IN THE U.S.A.

A PRODUCT OF  
HOT STICKS  
MANUFACTURING CO., INC.  
P.O. BOX 356  
WAVELAND, MS 39576

When they were introduced in 1980, Hot Sticks Drumsticks became the first colored hickory drumsticks to be manufactured and distributed throughout the music industry. More than a decade later, Hot Sticks now represent the best value on the market, offering a stick of unquestionable quality at an unbeatable price. Every Hot Sticks Drumstick is made from start to finish in the company's manufacturing facilities under strictly controlled and regulated conditions. By taking such steps to insure an uncompromising level of product quality, Hot Sticks Manufacturing Co., Inc. has firmly established itself as the world's leading manufacturer of colored hickory drumsticks.

## HOT STICKS CHARACTERISTICS

### RESPONSIVE:

Top grade hickory wood for unparalleled sound and performance.

### DEPENDABLE:

Warpage and stick fracture reduced by advanced machining methods.

### DURABLE:

Controlled wood-drying process and coating that strengthens wood fibers.

### PLAYABLE:

Tapers designed for maximum speed, response, and strength.

### SHOCK-RESISTANT:

Threaded nylon tips glued on with impact-resistant adhesives.

### COMFORTABLE:

Firm grip for wet or dry hands.

### RELIABLE:

Strict factory inspection for warpage and irregularities.

### BALANCED:

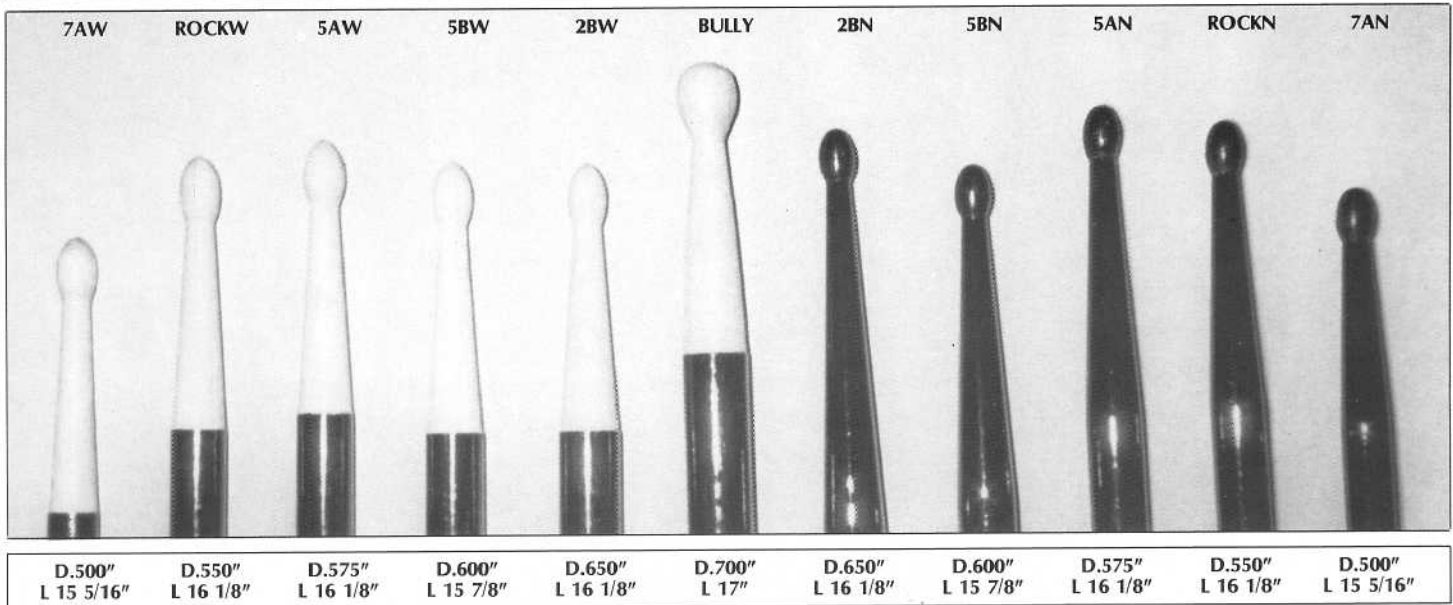

Matched pairs packaged in sealed plastic bags.

### ATTRACTIVE:

Available in a variety of exciting colors or conventional clear.

## MODEL SPECIFICATIONS

The Hot Sticks Drumstick line consists of six basic models - 7A, Rock, 5A, 5B, 2B (all available in both wood and nylon tip), and Bully (for drum corps use, available in wood tip only). All models are available in a variety of color options. Hot Sticks **Standard Colors** are California Sun, Sahara White, Black Falcon, Rio Red, Bermuda Blue, Jamaican Green, Mardi Gras Purple, Hot Rod Pink, 24K (simulated gold) and Sterling Silver (simulated silver). The **High Voltage Series** features a highly visible fluorescent finish and is available in Pink, Yellow, Green, and Orange Neon colors. Hot Sticks **Basics** feature a hand-rubbed clear satin finish.
